

CLUB DISCOUNT ON FOOD BILLS : DSOI

Dear Member,

The COVID & OMICRON waves have receded to a great extent and so have the Govt Guidelines and the graded responses on the same. Operating in times of the New Normal, the Club Management has taken some cogent and Member friendly decisions to enable passage of maximum benefit to the Club Members. The following decisions have been taken by the Managing Committee after exhaustive deliberations initially for three months from 01 Mar 2022 to 31 May 2022, they are as follows :-

- (a) All Restaurant bills - 5% discount on food bills.
- (b) All Banquet Parties - 5% discount on food bills.

With this Managing Committee has endeavoured to pass maximum benefit to the Club Members hoping to satiate the void created by their inability of eating out. We are sanguine that the Members will indulge in the gourmet offers and will visit the Club being their second home.

The above shall be applicable from 01 Mar 2022.

`Help us to serve you better` !

With warm Regards,

Secretary
